International Student (F-1) Requirements

I understand that I must comply with the terms listed below in order to maintain my status as an F-1 student at Athens State University. If I do not abide by all terms listed below, I will be considered out of compliance and may lose my F-1 student status.

- I must be registered for a minimum of twelve (12) credit hours for fall semester.
- I must be registered for a minimum of twelve (12) credit hours for spring semester.
- I am only allowed to take 1 online course per semester or 3 online courses for 1 academic year.
- I am not required to register for the summer semester unless it is my first semester.
- I must meet with the PDSO if failing courses or withdrawing from courses.
- I am not allowed to take courses on Redstone Arsenal.
- I must have medical insurance which includes repatriation and medical evaluation. I must have this insurance the entire time I am in the United States
- I must inform the International Student Advisor anytime I travel out of the country, or anywhere within the United States that requires airline travel.
- I must inform the International Student Advisor anytime I change my home address, telephone number, or email address.
- I must pay my tuition and fees in full no later than the first day of classes for each semester, or make payments according to my payment plan.
- I cannot work outside of campus unless for OPT or under Work Authorization approved by PDSO.
