

# Computer Science Enrollment & Graduation Rates

*Note: AY 2017-2018 the Computer Science program was split into Computer Science Program and Information Technology Program. A decline in enrollment was documented based on students who were previously enrolled in the CIS and Networking concentrations under the CS program and changed their majors to IT to continue studying Information Systems and Networking courses.*

Bachelor of Science in Computer Science Enrollment Data

	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
Fall Enrollment	179	133	97	88	82
Spring Enrollment	155	118	97	91	74
Summer Enrollment	102	62	62	56	52

Bachelor of Science in Computer Science Completions Data

	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
Graduates	20	30	27	10	10
