Derek Newland

Based upon a secret ballot vote by the committee, Derek Newland was elected Chair of the ASU Curriculum Committee.

2. Nominations for Recording Secretary
Cyndi Lovelace (sole nominee)

It was questioned whether or not a first-year faculty member could serve on a faculty senate standing committee, and in particular whether or not that faculty member could serve in an officer role. The faculty constitution will be reviewed before the next committee meeting. Dr. Lovelace is serving as a permanent proxy member on the committee, and represented Dr. Tom Pieplow at today's meeting. Dr. Lovelace is considered elected to the Recording Secretary position until this issue is resolved.
