4. Presented by Vanessa Miller
 - a. Create a new course to be added in the Forensic Psychology Minor which was previously offered in psychology years ago.
 - b. Mark Gale asked what the lab fee was for
 - i. Lab fee is for ordering assessment materials from Psychology Organizations for use in the course.
 - c. Derek Newland asked if a new course number and course name were applied to this course.
 - i. The course name and number are new and do not reflect the old course.
 - Motion made: See Forensic Psychology Minor Below
 - Seconded:
 - Approved:
 - Dissent:
 - Abstain:

Wording: **Forensic Psychology Minor**

Addition of New Curriculum – *Forensic Psychology Minor (Owen)*

5. Presented by Quanda Stevenson
 - a. The minor was developed in coordination with Wallace State to fit a 2+2 pathway. It was developed over Summer 2019.
 - b. Derek Newland pointed out the required courses in the minor. He asked what the additional classes listed on the catalog entry were.
 - i. The additional courses on the catalog entry were recommendations for various certifications in industries related to the minors. If students needed to complete additional hours, these were the recommended courses they take.

- ii. Derek Newland revised the catalogue entry to show only the required courses to remain consistent with other catalog entries.
- c. Derek Newland noted that “Criminal Justice Minor” for total hours on the catalog entry should read “Forensic Psychology Minor” and adjusted the document appropriately.
- Motion Notes: Forensic Psychology Minor, PS 350, and PS 425 approval were combined in the same motion.
- Motion made: Cathy Woodruff
- Seconded: Janet Dorning
- Approved: All
- Dissent: None
- Abstain: None
