## A COVID-19 Assessment Tool

GuideSafe™

# ATHENS-STATE HEALTHCHECK REQUIREMENT

Before returning to campus, all students, faculty and staff must complete Athens-State Healthcheck, a web-based COVID-19 assessment tool that evaluates existence of any current COVID-19-related symptoms, exposure history, and testing history.

We encourage you to complete Athens-State Healthcheck **daily**.

You are required to complete it **every three days**, and you can opt-in to get a reminder.

*(A “pass” through the Athens-State Passport is only valid for 24 hours, so if you work on campus or visit on a daily basis, the Athens-State Healthcheck must be completed daily.)*

**If you have new COVID-19 symptoms or exposure, report it immediately in Athens-State Healthcheck.**

# SYMPTOMS OF COVID-19

Students, faculty, and staff must be free of all symptoms **potentially related to COVID-19** to return to campus. As you evaluate your symptoms, **only report new symptoms that are not related to existing health conditions** (i.e. seasonal allergies) or recent activity (i.e. soreness, difficulty breathing, etc.). As of July 6, 2020, these symptoms include one or more of the following:

- ▶ Cough
- ▶ Headache
- ▶ Shortness of breath
- ▶ Fever
- ▶ Sore throat
- ▶ Nausea or vomiting
- ▶ Diarrhea
- ▶ Muscle aches
- ▶ New loss of taste or smell

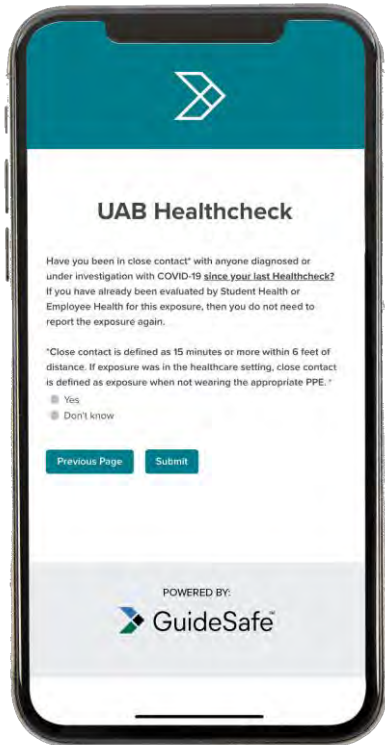

If you have questions about your health status, talk to your healthcare provider.

Check here for the Center for Disease Control's most up to date symptom list:

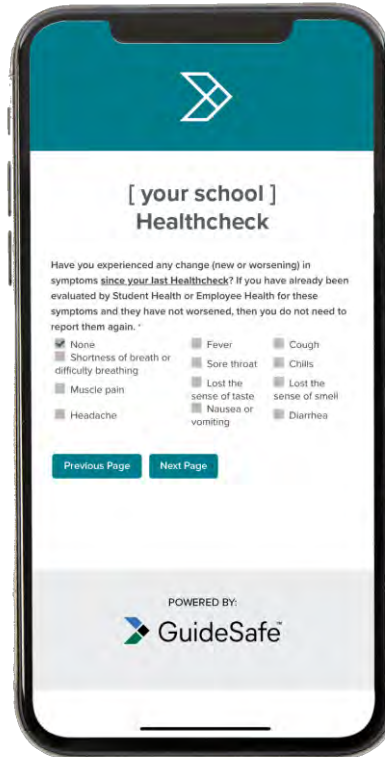

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

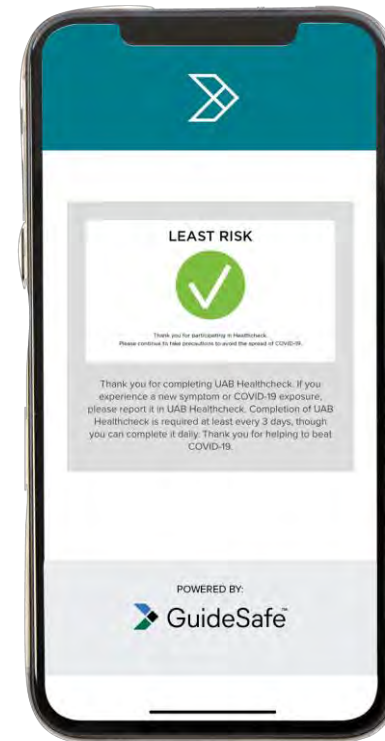

# ATHENS-STATE HEALTHCHECK DAILY CHECK-IN

The initial Healthcheck survey takes 20 seconds to complete.

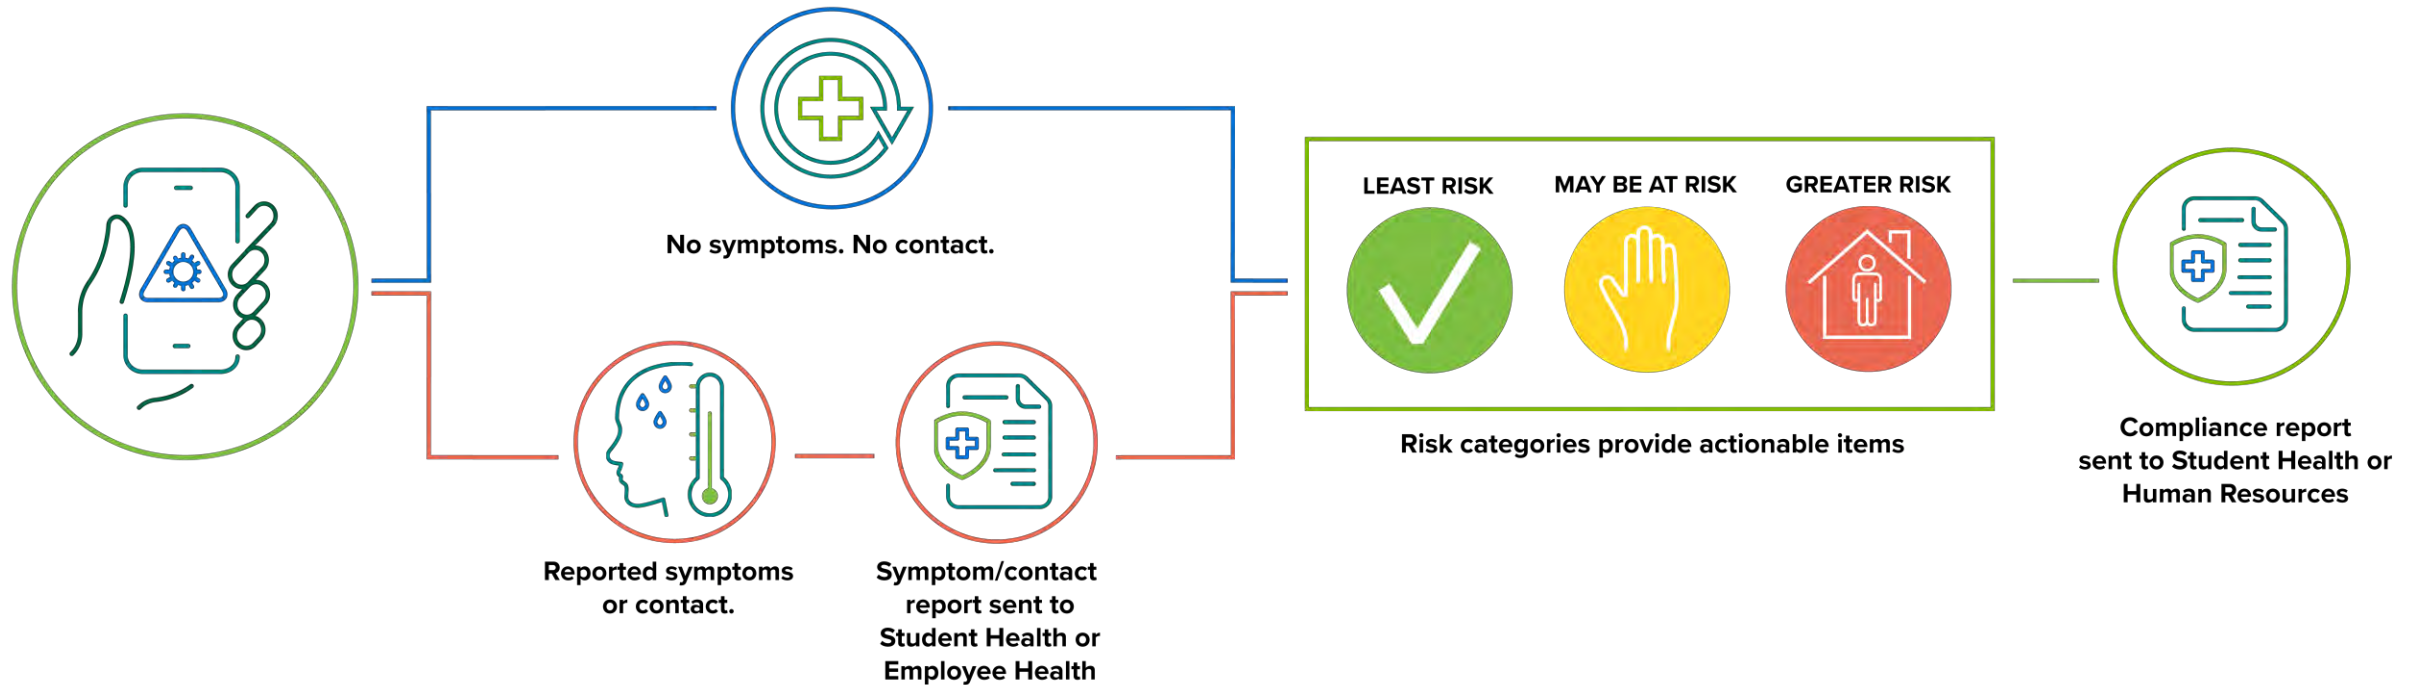

Subsequent survey takes 10 seconds to complete.

Upon completion, you are assigned a risk category with actionable items.

## HOW IT WORKS

- ▶ If you have participated in a public COVID-19 assessment tool, you are still required to participate in **Athens-State Healthcheck**.
- ▶ **Athens-State Healthcheck** is specifically for re-entry to our campus.
- ▶ **Athens-State Healthcheck** will help us all return to campus safely and avoid further risk and exposure to COVID-19.

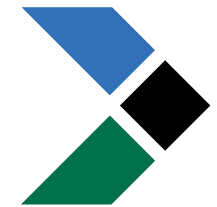

# Stay Safe & Healthy!

It is recommended to report symptoms and exposure on a daily basis, but it is required to do so every three days.

You can access Athens-State Healthcheck at [www.athens.edu/healthcheck](http://www.athens.edu/healthcheck).

For the latest re-entry updates, visit [www.athens.edu/return](http://www.athens.edu/return).

## Athens-State Healthcheck Attestation

I acknowledge and agree that one of the requirements I must satisfy to be eligible to return to campus is to complete the Athens-State Healthcheck located at [www.athens.edu/healthcheck](http://www.athens.edu/healthcheck) to evaluate whether I am currently experiencing COVID-19-related symptoms, been exposed to COVID-19, and/or whether I have been tested for COVID-19. I further acknowledge and agree that after I return to campus, I am responsible for continuing to complete health screening updates related to COVID-19 through [www.athens.edu/healthcheck](http://www.athens.edu/healthcheck) on a regular basis (at least every three (3) days) and that if I fail to do so, I will be subject to disciplinary action, including but not limited to revocation of my clearance to return to campus, written counseling, and/or termination of employment. I understand that I may choose to receive text messages from [www.athens.edu/healthcheck](http://www.athens.edu/healthcheck) reminding me to complete the regular health screening updates, but that if I opt out from receiving such text messages, I am still responsible for completing the health screening updates as described above.
