

Course Delivery Types: How to Read in Degree Works

There are different types of course delivery methods at Athens State. The most common ones are: on-campus/traditional, 100% online/distance learning, and blended/hybrid.

You can use your [Degree Works](#)¹ tool to review your major's course requirements. When you click on a hyperlinked **"Still Needed"** course in your Degree Works, a pop-up provides the course description, its availability in the upcoming semester(s), and a glimpse at the delivery method(s).

It is best to always use the detailed [Academic Schedule](#)² to verify course formats, day/time, locations, and instructors. After you register for a course, the course details can be found in your detailed schedule through your MyAthens Self Service in the [myAthens Portal](#)³.
